Hazardous Weather

Hazardous Weather

Most of North Texas and portions of Central Texas are expected to experience a light freeze tonight. While urban areas will likely hold in the mid 30s, outlying sheltered areas will be capable of falling to the freezing mark with a few readings in the upper 20s possible. Consider protecting tender vegetation and shutting off sprinkler systems.

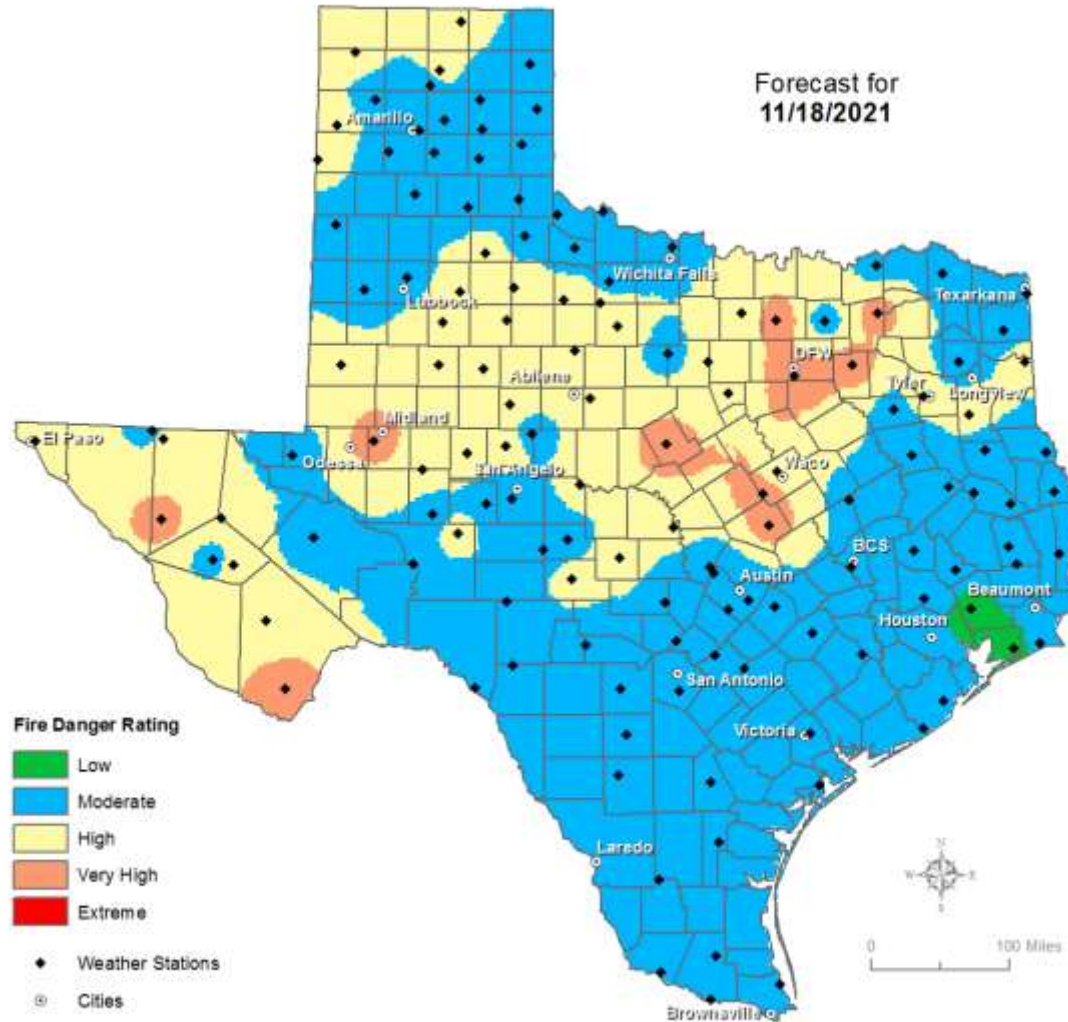

A Freeze Warning is in effect for the Guadalupe Mountains of Eddy County and above 7,000 feet in TX. Temperatures as low as 27 degrees expected at the mountain peaks.
